Subject: COMMUNICATION BRIEF
Announce statewide Community Engagement meetings about the plan for changes regarding Case Management in Colorado WITH UPDATED TIME FOR GLENWOOD SPRINGS

Purpose:

To invite all stakeholders to participate in upcoming Community Engagement meetings to hear about and provide feedback regarding the draft plan for Conflict Free Case Management in Colorado.

Background:

The Colorado General Assembly passed House Bill 15-1318, requiring the Colorado Department of Health Care Policy and Financing (Department) to develop a plan for implementation of Conflict Free Case Management for individuals receiving services through a Home and Community Based Services waiver. This plan must be submitted to the Colorado General Assembly by July 1, 2016. This legislation requires the Department to obtain input from Community Centered Boards, Single Entry Point agencies, and other stakeholders in order to develop the plan.

In March 2015 the Department facilitated 15 Town Hall meetings with individuals receiving services, families, guardians, advocates, providers, and other stakeholders to receive feedback and input for the development of the plan. The feedback gathered during these meetings was considered in the development of the plan.

Information:

The Department, in collaboration with Navigant Consulting, Inc., is facilitating four regional Community Engagement meetings and one statewide webinar to obtain stakeholder input on the draft implementation plan. These meetings are open to all stakeholders. See the attached schedule for locations, times, and dates of the meetings. The passcode for the statewide webinar is included with the attachment.

Due to a scheduling conflict with Person Centered Thinking training in Carbondale on April 28, 2016 from 9:00 a.m. - 4:00 p.m., the Department changed the time for the Glenwood Springs

meeting. Please refer to the attached schedule for the updated time. Additionally, the Department has attached the draft implementation plan.

Please also visit the Department's [website for Conflict Free Case Management](#) for additional information, ways to provide feedback, and to view meeting materials.
